**KEY:**     AAMC = Association of American Medical Colleges  
           HBCUs = Historically Black Colleges and Universities  
           NASF = Net assignable square feet  
           S&E = Science and engineering  
           \* = Less than .05 million

**NOTES:** Components may not add to totals due to rounding.

The values for total S&E research space reported in this table do not include any imputed data for survey nonrespondents. Further, data were not imputed for leased space for survey nonrespondents.
